OMBADC

Strengthening Health Systems
 at
SUNDARGARH

Odisha Mineral Bearing Areas Development Corporation (OMBADC)
 (A SPV of Govt. of Odisha)

OMBADC is supporting the Health & Family Welfare Department, Govt. of Odisha with a huge fund allocation of Rs. 1203 Cr for development of required infrastructure and Health facilities including strengthening of health services for the mining affected population. Support is also being provided to the department in improving accessibility to health services and reduce cases of malaria and tuberculosis in the mining areas. The priority districts being supported are Keonjhar, Sundargarh, Mayurbhanj and Jajpur.

The allocation for Sundargarh is Rs. 379 Cr and the major components taken up are new construction of facilities at the DHH, SDH, CHC, PHC and HSC level. Allocation has also been made for strengthening the AYUSH services under NHM.

New OPD building at CHC Ekma, Sundargarh

The new OPD building has been developed to cater to the needs of the increasing no. of patients in the block.

The DHH at Sundargarh serves good no. of IPD patients requiring surgery cases. The newly constructed CSSD building will support the additional load of sterilization of medical equipment to attend to the increased surgery cases.

Completed CSSD Building at DHH, Sundargarh

Newly constructed 1st floor of Drug Warehouse at DHH Sundargarh with OMBADC funding.

The gradual increase in no. of Outpatient and Inpatient flow in the DHH required additional space for warehousing of essential drugs and equipment. Hence, the H&FW dept. had proposed this project in the DHH. The new building is serving its purpose and has eased the stocking load of medicines and equipment.

Newly constructed OPD building at Bargaon CHC to address the requirement of increased patient load in the CHC and make health services accessible to the poor and needy in the mining affected area.
