ODISHA MINERAL BEARING AREAS DEVELOPMENT CORPORATION

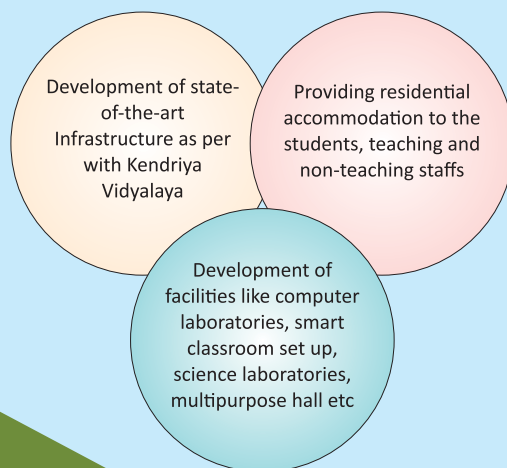

OMBADC Contribution in OAVs

Odisha Mineral Bearing Areas Development Corporation (OMBADC)
(A SPV of Govt. of Odisha)

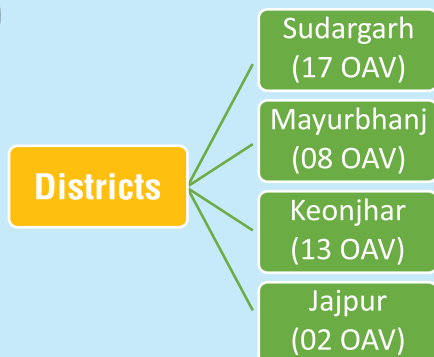

Odisha Adarsha Vidyalay (OAV) was established to provide high quality English medium schools in each Block of the State with state-of-the-art infrastructure at par with Kendriya Vidyalaya. The Vidyalayas will observe the stipulations of pupil-teacher ratio, ICT usage, holistic environment, appropriate curriculum and emphasis on output and outcome. In addition, development of infrastructure and other facilities in schools is necessity for child growth.

OBJECTIVES

COVERAGE

The project is being implemented in the following 4 Districts in Odisha under OMBADC's intervention

OMBADC INTERVENTION

A well-built infrastructure in schools is key to provide quality education and increasing the retention rate and maximizing the efforts of teaching and extra-curricular activities among the students. The motive for infrastructural development in OAVs is to bridge the gap between the required and available infrastructure and develop state of the art facilities for improved teaching and learning practices for students.

Sl.No	Activities	Details of the Activity
1	200 seated Boy's hostel 200 seated Girl's hostel	Hostels (Boys & Girls) facilities for the meritorious students who come from more than 5 km distance from the Vidyalaya.
2	100 seated Girls Hostel	Additional enhancement up to 100 seated in girl's hostels.
3	Residential quarters for Principal, Teachers, Staffs & Night- watchman	Providing accommodation at the school site.
4	Multipurpose Assembly Hall	It is space where all the students, teachers and staff come together to perform different educational activities.

Hostel Facility for Students coming from distant places- To enhance the potentiality of meritorious students and provide in house coaching.

Adequate ICT infrastructure facilities-To impact student learning when teachers are digitally literate and understand how to integrate it into curriculum and increase student involvement in technology centric environment

Benefits

Reduction in School Drop Outs-high-quality infrastructure facilitates better instruction, improves student outcomes, and reduces dropout rates

Enhancement of Girls hostel from 100 to 200 seated.- In its endeavour to promote more female students in mainstream education, OMBADC is working with Govt. of Odisha to increase the capacity of the girls hostel.
