Building Agro-Enterprises in Mineral Bearing Districts by OUAT

Odisha Mineral Bearing Areas Development Corporation (OMBADC)
 (A SPV of Govt. of Odisha)

About the Project

Orissa University of Agriculture and Technology (OUAT) is driving a transformative project in Odisha's mineral-bearing districts through OMBADC funding. With a focus on capacity building, skilling, and entrepreneurship development, OUAT aims to empower stakeholders in the agricultural and allied sectors. By providing training and support, the project aims to unlock economic potential, foster growth, and enhance livelihoods in these resource-rich areas.

Project Objective

- Capacity building & Skill development training of stakeholders and tribal youth in the mineral bearing districts of Odisha.
- Infrastructure development for training and entrepreneurship activities
- Development of Agri-enterprise units and Centres of Excellence
