Odisha Mineral Bearing Areas Development Corporation (OMBADC)
(A SPV of Govt. of Odisha)

Project Interventions

Raising of 6 months old saplings for distribution at community level through Van Samrakshya Samiti (VSS) members

Raising of 18 months old saplings for plantation by the FE & CC department on demarcated forest land.

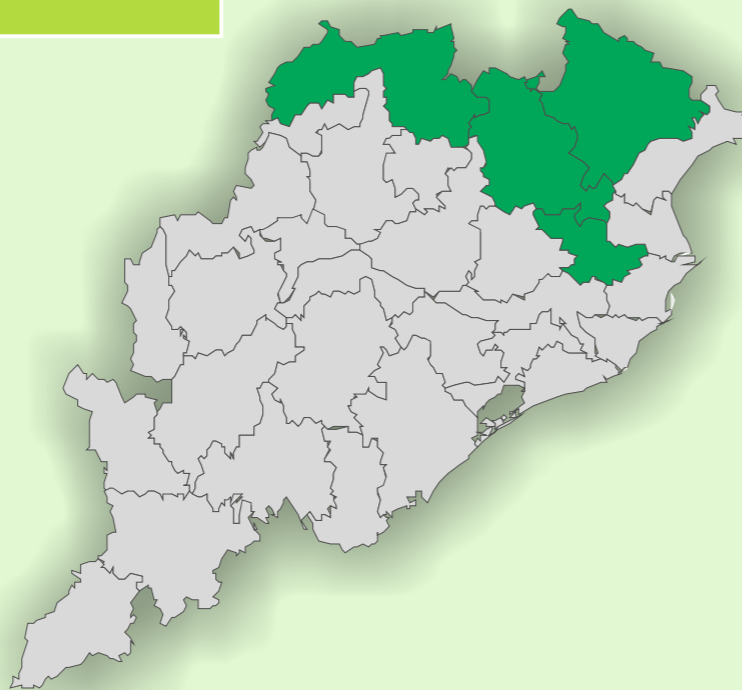

6 months old saplings have been distributed in lakhs to the villagers in the 12 forest divisions covering Keonjhar, Mayurbhanj, Sundargarh and Deogarh districts. The VSS plays an active role of a facilitator and guide to the villagers who plant the saplings in community lands or own farms and care for the saplings.

Coverage of the Scheme...
