Shaping Tomorrow's Welders: OMBADC's Initiative for establishment of CoE at ITI, Jajpur

Odisha Mineral Bearing Areas Development Corporation (OMBADC)
 (A SPV of Govt. of Odisha)

State-of-the-Art Training Facilities

The Center of Excellence at ITI Jajpur provides cutting-edge training facilities and practical experience in advance welding and thermal cutting techniques.

The Center of Excellence at ITI Jajpur offers comprehensive training programs to produce industry-ready professionals equipped with the necessary skills to enter the workforce.

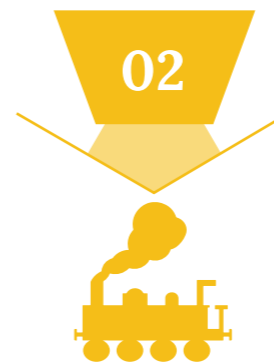

The Center of Excellence at ITI Jajpur has conducted training program in two-phase:

- In the first phase, faculty members were trained.
- In the second phase, students received advanced welding and thermal cutting training.

Elevating Skills, Expanding Opportunities

Comprehensive Training

- By availing training at the Centre of Excellence, ITI Jajpur candidates will gain proficiency in various welding processes, including:
 - MIG (Metal Inert Gas) welding
 - TIG (Tungsten Inert Gas) welding
 - Arc welding
 - Plasma cutting

Enhanced Job Prospects

- Gaining expertise in these welding techniques will significantly broaden the candidates' scope for job opportunities in reputed companies within the welding sector.
