TRANSFORMING LIVES OF TRIBAL IN MINING AREAS

Vol.-4, No.-09

September, 2024

Development Educational Infrastructure for ST & SC Students of SC & ST Department Schools

This project funded by OMBADC focus on the bridging the gap between available and required facilities in the ST & SC dept. residential schools for the benefit of the enrolled SC & ST students. These facilities will help in enhancing the quality of education for students especially in mining-affected districts of Keonjhar, Mayurbhanj, and Sundargarh districts by providing advanced facilities in the residential schools. The ITDAs and DWOs are collaborating with the department in implementing the project related interventions.

Odisha Mineral Bearing Areas Development Corporation (OMBADC)
(An SPV of Govt. of Odisha)
